The event is open both for adult license athletes and recreational athletes, without any participate restrictions. The minor participants need a consent form to be signed by a parent/legal guardian. It is a race on time with end time measuring. The participants of the SPEED class will start before the BACKPACK class.

The SPEED class is the supreme discipline of this vertical - up race. Each athlete tackles the Ciampinoi No. 3 slope vertically as fast as possible after free choice of material. Everything is permitted, as long as everything happens by one's own effort.

In contrast, the backpack class is considered an absolute fun competition. Here, the Ciampinoi slope no. 3 needs to be mastered as well. The only condition: participants have to carry a backpack including stuffing to the finish. The backpack filling is the starter package.
